The area identified for development on Leafield Road would provide the town with the housing required, but at the same time preserve the historic buildings and landscapes in other areas. By developing this area it would minimise the traffic increase through the town that housing further away from the school would bring as people journey in cars rather than on foot.

**Improving access will be of benefit to the local businesses within Fairford allowing them to gain economically from being within the Cotswold Water Park. As the public's appetite for outdoor recreation increases, improving the walking and cycling opportunities locally will draw more people and their spending to the town.**
