Response to Fairford Town Council revised Sustainability Appraisal and Sites Assessment

FNP16 – Kempsford Parish Council is concerned about the inclusion of this site. Not only is there traffic issues on Leafield Road as a result of the schools, it is outside of the Parish Boundary and could open the floodgates to further expansion on neighbouring land.

The large increase in development at Fairford has not only impacted on the town itself but the surrounding communities such as Kempsford who rely on the facilities and services provided at Fairford.

Kempsford Parish Council has noticed a large increase in traffic, particularly during the morning and evening commuting hours, which we believe is due to the increase in residents of Fairford travelling through our parish to Swindon.
