## Detail of CIL expenditure

Project name and location:

Improvements to 'Reading for Pleasure' culture.  
Longborough Church of England School, part of the North Cotswold School  
Federation, GL55 6DB

Brief description of works undertaken:

Funding to provide new furniture and recent, up-to-date books.

As a small village school, Longborough C of E Primary School has limited space to provide the pupils accessible reading materials in a welcoming and relaxing environment. Many of the school library books are tired and dated. They are displayed in an unenticing environment, which re-enforces the unattractive nature of the facilities and deters the pupils from actively seeking books to broaden and challenge their reading for pleasure. Funding to provide new furniture and recent, up-to-date books will assist in building a 'reading for pleasure' culture within the school, enabling the pupils to benefit from the academic advantages that extra-curricular reading has been shown to provide.

Total Project Costs	£ 500.00
